VOL. LIX: No. 32 REDWOOD CITY, CALIFORNIA SATURDAY, NOVEMBER 8, 1919 ESTABLISHED 1859

SAD DEATH OF MRS MAZIE MORLEY AS RESULT OF AUTO ACCIDENT

Mount Carmel church was crowded with sorrowing relatives and friends Thursday morning when the remains of Mazie Read Morley, the victim of the Visitacion Valley accident were brought into the edifice. It was a sad occasion. Tears came to the eyes of strong men and women as the coffin was bourne towards the altar.

It was the saddest and most pathetic funeral that has taken place in Redwood City for many years. The very air was permeated with sadness for all loved the young and beautiful woman cut down in the morning of life, radiant with youth and hopeful of a roseate future. Her young husband, bowed with pain and sorrow was there as were her grief-stricken father, sisters and brothers, all broken hearted from the shock that came to them so suddenly.

The scene was a sad one and little wonder that there were but few dry cheeks in the church.

The funeral services were most impressive. The children of Notre Dame Convent lead by Mrs. Sharkey sweetly sang the mass. Father Sullivan, who celebrated the mass ,delivered a very eloquent sermon upon the purity and loyalty of the deceased. He dwelt upon her Christian life, reciting the incident of her placing flowers upon the grave of her mother in Holy Cross cemetery on Sunday last. This demonstrated the Christian character of the young woman and showed that she had not forgotten her mother's tenderness and memory.

Father Sullivan waxed eloquent in speaking of her loyalty to her family, after her parent had passed away, the assistance she had rendered her younger sisters and the courage she had given her family by her Christian fortitude. Father Sullivan's eloquent words sank deep into the hearts of all.

The following young men acted as pall bearers:

Frank Fitzpatrick, Joseph Foley, A. S. Ligouri, James O'Connell, Bert Weider and H. Hawkins.

A large number of friends and sorrowing relatives followed the remains to Holy Cros cemetery, Colma, where all that was mortal of the young woman was placed alongside the remains of her mother who had preceded her daughter to the grave a short time ago.

Mrs. Morley was the wife of Fred W. Morley. She was born in San Francisco but spent her young life in Redwood City, attending Notre Dame Convent and later Sequoia Union High school. She was beloved by all for her pleasing ways and fine sense of sympathy and consideration for others. Besides her little three year old son "Jack" she is survived by the following:

J. J. Read, Sr., Fred Read, Mrs. Phil Holden of Napa, Mrs. Rowe Gillett of Sterling, Colo., Mrs. Will Parker of Oklahoma City, Miss Carolyn Read of the South San Francisco school department, and Misses Gertrude and Alma Read of this city.

The circumstances connected with the death of Mrs. Morley were most pathetic. The accident cocurred shortly after midnight and for six hours until nearly 6:30 in the morning, Morley and his wife lay underneath the wrecked machine, the husband helpless to save his wife from being crushed to death. When the tragedy was discovered Mrs. Morley was dead and Morley was uncouscious.

When the husband regained consciousness later in the day at the Petrero hospital in San Francisco, he told a pitiful tale of how he struggled to lift the heavy car from his wife's form but that his efforts to move the machine only increased her suffering and she begged him to remain quiet. He said he cried vainly for assistance as automobile after automobile sped by on the highway only a few feet away.

Mrs. Morley remained conscious for fully half an hour after the accident, until finally when she realized that the end was coming, clasped her husband's hand and in a feeble gasp whispered, "Good-bye. Take care of little Jack," their three year old son.

Morley's injuries consist of several lacerations of the head and body. His condition is not as serious as was at first thought, although he is suffering terribly from the shock and ordeal which he had been through.

Mr. and Mrs. Morley had gone to Holy Cross cemetery, Colma, Sunday to visit the grave of Mrs. Morley's mother, who passed away a few months ago. They then went to San Francisco and it was while returning to their home in this city that the accident occurred.

SENTENCE OF HANEY IS CONTINUED

When William Haney, found guilty of murder in the first degree by a jury in the superior court on Tuesday, appeared for sentence Thursday afternoon, J. J. Bullock, attorney for the defendant, made a motion for a new trial on the usual statutory grounds. Mr. Bullock indicated that he intended to appeal the case to the supreme court. On this showing the court continued the passing of the sentence until next Thursday afternoon at 1:30 o'clock.

The trial was begun on Tuesday afternoon and the jury brought in a verdict late in the afternoon after deliberating fifteen minutes. The verdict was murder in the first degree, the jury recommending that the prisoner be given a sentence of life imprisonment.

Haney was charged with the murder of Albert Reidinger ,a San Francisco jitney man. On the night of May 30 Haney employed Reidinger to drive him from the ferry building in San Francisco to Colma, and when they reached a lonely spot on Sloat boulevard, Haney is alleged to have attacked Reidinger, beating him until he became unconscious and leaving him at the roadside. Haney then drove away with the automobile, which later was recovered by the police in a basement in San Francisco. Haney was arrested for the crime and when Reidinger died two months later from his injuries Haney was charged with murder.

The city trustees Monday night voted to stand one-half of the cost of the Phelps street storm sewer which is under construction to take care of the storm waters. MAYOR ROLPH ELECTED BY A GOOD MAJORITY

The re-election of James Rolph of San Francisco for the third time by an overwhelming vote pleases the people of San Mateo county who admire him for his honesty, ability and efficiency as chief executive of San Francisco. The large vote he received shows that the people have faith in him and wish to continue an honest official in office.

Mr. Rolph is a resident of the peninsula, maintaining a summer home at La Honda and this is another reason why the citizens of San Mateo county are pleased to see him re-elected.

Should Mr. Rolph be a candidate for the U. S. Senate next year there is hardly any doubt that he will secure the toga. His many friends throughout the state are already urging him to become a candidate. Mr. Rolph wields a wonderful power in the state, has a large following everywhere and would be a formidable candidate. Higher honors await the genial mayor.

BANNER YEAR FOR CALIFORNIA

California is making strides far greater than most readers have any idea of unless they have been close observers of the growth and development that is taking place in all counties from the mountains to the sea and from San Diego to Siskiyou.

A review of the report just issused by State Controller John S. Chambers reveals remarkable progress throughout the state. The total value of real estate is now $1,973,857,724. The improvements are worth $794,625,946. The value of personal property in California is $540,845,758.

The individual deposits in California banks are shown to have passed the billion dollar mark for the first time. This statement is based upon the reports of all the banks of the state on September 12. Individual deposits on that day were $1,004,142,169. One year ago the bank statement showed deposits aggregating $841,092,762.

It is estimated by Dean Thomas Forsythe Hunt of the college of agriculture of the University of California that the products of the state this year are worth between $600,000,000 and $800,000,000. The field crops are valued at $250,000,000, the friuts have a sales value of $250,000,000 and the stock and animal products $200,000,000.

Half a decade ago the income from all sources of field, orchard and farm and minerals was approximately $500,000,000. In comparison with all past records 1919 shows a measure of prosperity that is unrivaled, if equalled, by any other state in the union.

WHAT'S THE REASON?

Secretary of War Baker has informed the Senate, in response to a resolution, that Robert Minor was released from military custody in France because of insufficient evidence to obtain conviction. That gentleman has now returned to this country, and reports are constantly reaching Washington of the revolutionary addresses he is delivering in all parts of the country. Republicans hint that if Mr. Baker found himself impotent to prosecute the case the Attorney General might try his hand at it, but news from the Department of Justice indicates a strange disinclination to enforce the criminal statute against sedition.

TWO OF A KIND

The House has voetd to unseat "Honey Fritz," former mayor of Boston, and representing the Tenth Massachusetts District in Congress, in favor of Peter F. Tague, another Democrat. Fraud in the election won by Mr. Fitzgerald was proved. It was also brought out that in previous elections in the same District, resulting in the success of Mr. Tague, he had received the benefits of the same frauds that last year seated Fitzgerald. Under the circumstances it has been urged that both of the Democratic contestants might with propriety be disqualified, and the Republican aspirant declared elected.

DEMOS OPPOSE BUDGET

The Republicans of the House gave their unanimous approval to the bill providing a national budget system. Every negative vote was cast by a Democrat.

APPLIES FOR LETTERS

John Day has applied in the superior court for letters of administration upon the estate of Catherine Day, who died on December 16, 1918 at San Mateo. The estate consists of lot 12, block 22, with two dwellings, San Mateo. The entire value of the estate does not exceed the sum of $3000. J. J. Bullock is the attorney for petitioner.

"Each package may contain soap, candles, and starch, not to exceed a total weight of five pounds.

"The following articles are absolutely prohibited:

$15,000 DAMAGE SUIT WON AGAINST U. S. RAILROAD ADMINISTRATION

One of the largest judgments given in a damage suit tried in the superior court of San Mateo county for many years was awarded Monday, when a jury gave Mrs. Mary Dunn, as administratrix of the estate of her husband, Thomas Dunn, judgment for $15,000 against the United Railroad Administration.

Dunn was killed by a Southern Pacific train near the Pacific Coast Steel works at South San Francisco in August, 1918. His widow, as administratrix, sued for $25,000 damages for his death. The trial of the case was commenced Friday at Redwood City before a jury and lasted three days. Judge John L. Hudner of Hollister presided and the plaintiff was represented by Attorneys Ross and Ross, while the railroad administration was represented by Judge E. F. Fitzpatrick and Attorney Archer Kincaid.

Thomas Curran of Redwood City was foreman of the jury.

HALFMOON BAY ITEMS

Mr. and Mrs. H. G. Bachler of San Francisco, who have been spending their week-ends in Montara for the past several months left yesterday bound for Germany, where they go in search of Brothers who they have not heard from since 1914.

It was agreed at a meeting held in San Jose that San Mateeo county's quota toward the Skyline boulevard should be 20 per cent, San Francisco county 50 per cent, Santa Clara county, 20 per cent and Santa Cruz county, 10 per cent. This is the proposition of the overhead the four counties comprising the Highway district No. 1, are to assess themselves for the purpose of securing the necessary right-of-way for the proposed boulevard.

Mrs. Tom Jordan of Moss Beach is making a pillow for the Catholic fair to be held at Halfmoon Bay on November 7 and 8. We feel sure Mrs. Jordan's handwork will take first prize. It will be on display on Mrs. Debenedetti's table.

The rain of the past few days has been welcomed by most of the farmers. It is believed that very little damage has been done to late crops of fruit. The cattlemen are especially happy, as the moisture will keep the grass which started a month ago growing.

Mrs. Wm. Azevedo and son, William returned to their home Sunday after spending the past month visiting relatives in Sebastipol.

Archie Higgins who has just returned from Siberia where he has been with the U. S. army for some time was in town several days last week visiting his father, John J. Higgins, sister, Mrs. Wm. Wightman and friends.

THE SUPERVISORS HOLD MEETING

The board of supervisors met in regular session Monday, November 3, at 10 a. m., there being present John MacBain, presiding; T. L. Hickey, W. H. Brown, Jos. M. Francis, and Dr. C. V. Thompson.

The report of James R. Eubanks, superintendent of the county farm and hospital, showed that he had taken care of 52 inmates during the month of September, four of whom were discharged and one had died.

The report of H. W. Woodworth, county horticultural commissioner, for the month of October showed that he had inspected 6487 plants, trees and shrubs, eight interstate shipments, fumigated nine carloads of beans, certified two shipments and had made 70 visits to ranch houses in the interest of squirrel eradication work.

Resolutions adopted by the city trustees of San Mateo and Burlingame were received and read endorsing the proposed construction of the parallel highway on the east side of the present State Highway between Redwood City and San Bruno to connect the Middlefield Road at Redwood City with the Bay Shore at San Bruno.

The two resolutions were ordered filed, on motion of Brown, seconded by Hickey.

Attorney F. A. Reynolds of Redwood City appeared before the board and read a petition signed by M. H. Walsh and 44 other freeholders of the unincorporated town of Menlo Park, asking for the appointment of viewers to determine the cost of lying out and constructing a roadway in the Dominga tract between Glenwood avenue and Encinal avenue, just east of the State Highway.

Attorney Reynolds after reading the petition, addressed the board and stated that the road was an urgent necessity for the people living in the district, as at the present time, they had no convenient way of getting from their homes to the highway and to other outside places.

On motion of Brown, seconded by Francis, the petition was received and ordered referred to District Attorney Swart for a report thereon at the next meeting.

A communication was received from E. J. Willard of San Francisco, requesting permission to close two streets on his property in the San Pedro Terrace By The Sea tract on the coastside, which he claimed were no longer needed for public traffic.

Mrs. Nash, the clerk was instructed to write Willard and request him to come before the board and take up the matter in the proper manner.

E. W. Florence, district manager for the Pacific Gas and Electric Company in Redwood City district, informed the board that the contract for furnishing lighting to the Beresford Lighting District would expire on November 10th.

On motion of Brown, seconded by Francis, Mrs. Nash, the clerk, was directed to advertise for bids in the matter.

A communication was received from Miss Anne Bell Bailey, asking that she be reappointed county librarian. Upon the order of the chairman, the matter was laid over until the next meeting, Monday, November 10th.

Only one bid, that of A. Mattson of San Bruno, was received for the construction of a fill and retaining wall near Christen's ranch, in the First Township. Mattson's bid was $4500 and as the work must be done without delay, the board decided, on motion of Hickey, seconded by Brown to award the contract to Mattson.

Mattson also was the only contractor to submit a bid for the construction of the reinforced concrete culvert near the Chinese cemetery in the First Township and he was awarded this contract, on motion of Hickey, seconded by Brown.

At the request of Chairman MacBain, and on motion of Brown, seconded by Francis, County Surveyor Kneese was directed to go to Menlo Park and look over several roads there that are in need of repairs.

A communication was received from Senator James D. Phelan in which he stated that he had again taken up the matter of the Base Hospital at Menlo Park with U. S. Surgeon General Rupert Blue and the latter had informed him that every effort was now being made to secure another location for the institution with the view of moving it from its present location.

On motion of Thompson, seconded by Hickey, A. Mattson was granted a 20 days' extension on his contract for the construction of the bridge across New Years Creek in the Fifth Township.

Mrs. N. Kellogg of Berkeley addressed a communication to the board in which she complained about the increase in the taxes on her property in the North Palo Alto district, over that of last year. Mrs. Nash was directed to write to Mrs. Kellogg and call her attention to the fact that two new school houses were built and other improvements made which necessitated an increase in taxes.

A communication was received from the State Railroad Commission, notifying the board of the continuation of the hearing from October 27 to November 14 in the matter of the application of the Sierra and San Francisco Power Company for the fixing of the rates to be charged by the corporation for electricity and water.

The San Mateo County Community Council, through its chairman, Mrs. John L. McGinn, extended an invitation in a communication, to the board to attend the Welcome Home celebration to be held in San Mateo on November 11 in honor of the returned service men of the county. The invitation was accepted and the members of the board expressed themselves as intending to attend the celebration in a body.

A communication was received from the finance committee in charge of the above celebration, asking for a donation from the county to help pay for the big barbecue that is to be served the boys on that day.

E. W. Florence, who was present at the meeting, addressed the board and stated that it was the intention of the committee to solicit aid from all the different municipalities in the county toward the celebration. Supervisor Brown addressed the board in favor of the county appropriating some amount toward the cause, and then, on his motion, seconded by Hickey, the board voted to set aside $200 for the use of the committee.

A communication was received from the Colma Improvement Club, asking for information relative to driving over a safety zone on the State Highway in the county. The communication was ordered referred to the district attorney.

A communication was received from the State Automobile Association endorsing the plan of Chief of Police White of San Francisco in establishing Auto Thief Catch stations on the Mission road at Daly City. Mrs. Nash, the clerk, was directed to answer the communication and inform the association that the board had no jurisdiction in the matter and suggested that they get in touch with the trustees of Daly City.

Supervisor Hickey stated that he had been in consultation with Chief of Police White during the week and the latter said he was anxious to have the catch thief stations erected also on San Bruno road at the junction of the San Francisco and San Mateo counties' line. The board having jurisdiction on this road, it was ordered, on motion of Hickey, seconded by Brown, that San Francisco be given permission to erect the stations on the thoroughfare.

A communication from John Roll, president of thes upervisors association of the state, called the board's attention to the coming convention to be held in San Francisco in February, 1920, was received and ordered filed.

A claim of A. Mattson in the sum of $3926 in part payment on his contract for the construction of a concrete bridge over New Years creek in the Fifth Township, was ordered paid, on motion of Brown ,seconded by Thompson.

$87,150 CLAIM FILED AGAINST COBURN ESTATE

Attorney M. F. Hernan of San Francisco, who is representing C. L. Littlefield of Pescadero, has filed a claim for $87,150 in the county clerk's office against the Loren Coburn estate.

Littlefield's record against the estate, which is now said to be worth nearly $2,000,000, is based upon a promissory note, given on February 17, 1917, and expiring on the same date in 1920, for $75,000 with interest at 6 per cent. The note recites that it was given in payment "of services rendered" and it bears the signatures of Loren Coburn and his slain widow.

On Saturday last another claim was filed against the Coburn estate amounting to $21,150. It was filed by W. H. Bias, the well-known Santa Cruz attorney. During the life time of Mr. and Mrs. Coburn he performed certain legal services for which he was not paid. Mr. Bias was the attorney for several years for Loren Coburn before his death. He also acted for Mrs. Coburn after the death of the aged capitalist.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Under the auspices of the Men's Club a whist drive will take place in Trinity Hall on Friday evening, November 14. Good prizes. Admission 25 cents.

Several nurses at the base hospital were dismissed during the week. The American Legion has taken the matter up with the authorities with a view of having the nurses reinstated. No reason was assigned for the dismissal of the nurses, but as they recently signed a petition protesting against the treatment they received at the hands of the head nurse, Miss Parrish, it is assumed that that is the reason for their dismissal. Most of the dismissed nurses have been service overseas, and are well liked by the patients in the institution, whose indignation was communicated to the executives of Fremont Post.

Mr. Rondeau has not disposed of the Camp Garage. He is still the owner but he has rented a portion of the building for a machine shop to San Francisco parties who will work in conjunction with Mr. Rondeau.

Redmond Cochrane will soon reach home. He is at Hoboken, New Jersey, awaiting orders to be sent to San Francisco for duty. Young Cochrane has been 26 months overseas, the longest term of any San Mateo county boy. He was a clerk at General Peshing's headquarters at Beaumont, France for nearly two years.

Dr. Whitewolf is here from Nevada. He is on his way east with three reels of films, which depict the big camp at the Divide district and camp life in general. These films are to be shown by the doctor in all the big centers of the east. An effort is being made to have the doctor exhibit the film "Land of the Great Divide" in a local show house before he proceeds east. He is very enthusiastic about the new Nevada camp. He predicts big things for the district next spring.

J. H. Meyer of Menlo Park has returned from a motor trip in southern California with his two daughters, Misses Olga and Alice Meyer. The Meyers are now living at 8 Cabrillo, on the campus, while their home in Menlo Heights is being rebuilt.

The MacKinnon house on Glenwood aevnue at Menlo Park has been leased to Mrs. Fraser of Colorado Springs ,a sister of A. W. Eliot of the Stanford bank, who has returend to this community for the winter.

Mrs. L. H. Barney and two nieces of Menlo Park have moved to Palo Alto for the winter, having taken the house at 416 Webster street.

Press dispatches in the San Francisco papers would indicate that Archbishop E. J. Hanna intends erecting a large building at Kentfield to supply the needs of St. Patrick's Seminary as that institution is over crowded, there being nearly 300 students there. No definite plan, however, is formulated by the Archbishop It is possible that a junior college may be established at Kentfield leaving the St. Patrick's Seminary for the seminarians or advanced students. There is some talk of building another wing to the seminary building there.

FILES SUIT IN COURT FOR SEPARATE MAINTENANCE

Mrs. Elizabeth D. Johnson on Thursday began a suit for separate maintenance in the superior court of San Francisco against her husband, A. P. Johnson, the aged capitalist, of Belmont. She asks for an equitable sum for separate maintenance.

Mr. Johnson is 84 years old and his wife is 74. They have been separated for 30 years, Mrs. Johnson residing in the city and her husband at Belmont. The couple was married 56 years ago. They have seven children, all grown. Mr. Johnson has property valued at about $50,000. She has also real estate in her own right.

A few years ago she brought a suit for divorce in the superior court of this county on the ground of desertion. The trial was a sensational one continuing for several weeks.

Judge Buck denied her a divorce holding that there were no desertion on the part of the husband. The case was appealed to the supreme court and the higher tribunal confirmed the opinion of Judge Buck.

Mr. Johnson has just undergone a capital operation and is still confined to his apartments. He may never recover from the effects of the operation.

Mrs. Johnson, who is living in this city with one of her daughters, Mrs. Annie M. Jensen, 1074 Alhambra street, says her husband will not permit her to live in their home at Belmont, nor will he live with her any other place. She says that she is dependent upon her children for support and meanwhile two other women are living in luxury in her home at Belmont.

LOUIS MARTIN AN GEORGE PERRY BEIN GTRIED TODAY

Louis Martin and George Perry, charged with a statutory icrme alleged to have been committed some weeks ago at Pescadero, are being tried behind closed doors in Judge Griffin's court. The case began at 2 o'clock yesterday afternoon and was not closed at the hour of going to press last evening. Some thirty witnesses from Pescadero were examined. Some time ago Judge Griffin made an order that the case, owing to its salacious character, would be heard behind closed doors. The accused young men are prominent in Pescadero and are well-known in the county. Only officers and witnesses as they were heard and the parties directly interested were permitted in the courtroom.

Armistice Day is to be observed throughout the county next Tuesday.

Everywhere big preparations are being made to honor the ex-service men who did so much to end the great world war.

The people of Redwood City are to give an Armistice Ball in Foresters Hall on Monday evening to the veterans. The local Chamber of Commerce, City Trustees and other civic and welfare bodies have joined their forces to make the occasion one long to be remembered. Therefore on Monday evening Foresters' hall will be the scene of merriment for all the service boys will be there. At 8:30 the grand march will take place.

Invitations signed by Mayor Carl K. Mabie were sent out this week to every local ex-service man whose address could be learned. Those not reached and not receiving invitations are to consider themselves invited as this celebration is for every returned man and his friends.

Redwood City Post, No. 105, American Legion, has accepted the invitation and the members will attend the celebration in a body. The organization will have a speaker at the celebration who will talk on the aims and purposes of the American Legion.

ADDITIONA LOCALS

During the week the heavy burdened tax payer is wending his weary way to the tax collector's office where he is met by genial clerks and beautiful women and he pays his taxes and goes away happy. Mr. McSweeney says that never in the history of the office has the taxpayer settled so promptly and never has he received so much coin at this time of the year. The office is on a rush from the time the doors open until they close in the evening. Already he has taken in over a quarter of a million dollars but there is still over $700,000 to collect. The promptness with which the taxpayers are settling with the tax collector show the general prosperity of the county. It also demonstrates the efficiency of the tax collector and his force who have been for some weeks sending out notices to property owners.

Cora McGarvey, deputy recorder, who was taken severely ill last Saturday is recovering nicely. She will be removed to her home today from the Huling sanitarium.

Mrs. James Crowe who was stricken with pneumonia last week is slowly recovering under the care of Dr. Ross. Her many friends through out the peninsula will be pleased to know that she will soon be convalescent.

All business houses in town will be closed next Tuesday, Armistice Day. November 11 has been declared a holiday by the governor and is to be strictly observed by local merchants.

George H. Winter is here from Petaluma on a visit with his parents Mr. Winter is engaged in the automobile business in the Chicken City.

Court Madrone, Foresters of America, entertained at a banquet in a local cafe last Saturday evening the service men belonging to the court. Thirty-five members of the society entered the service and all returned except George Allaine who died of the "flu" at Vancouver Barracks in 1918. Joseph Riboli, grand secretary of the society, Roy W. Cloud and W. Boderski were the speakers of the evening. All commended in eloquent words and deed and heroism of the boys who bared their breast in dunfense of the flag.

QUICK WORK IN THE SUPERIOR COURT

One of the quickest verdicts in the history o fthe superior court was rendered yesterday afternoon by a jury sitting in the incompetency proceedings of Herman F. J. Butts who some time ago applied to be restored to capacity. The jury deliberated only five minutes when it returned with a verdict restoring Butts to competency.

Four years ago Butts was declared incompetent and his sister Mrs. Annie Diehl was appointed his guardian. Some months ago Butts asked to be restored.

Butts is a member of a well-known Halfmoon Bay family. He owns a third interest in the Butts ranch at Halfmoon Bay consisting of 520 acres and which rents for $8000 per annum, being splendid artichoke land.

Dr. W. A. Brooke, Philip Gonzales, A. Luchessi, Will Deeny and John Higgins gave testimony on behalf of Butts. Mrs. Diehl opposed the petition urging that her brother may become the victim of designing persons owing to his weakness for strong drink.

She was represented by Archer Kincaid while Oliver and Jacobs represented the petitioner. The following composed the jury:

Thomas Bradbury, M. F. X. Kavanaugh, Pearl Kinsman, Mary Corrington, N. J. McNamara, James M. C. Cathewood, Celine L. Angus, Julia Carlton, Emma A. Jenkins and Charlotte Ritter.

—a bank that appeals to FARMERS

The Bank of Italy has extended its thoroughly organized service to many important farming districts of California.

This institution has rendered practical assistance to the farmers of the state in the production and marketing of bumper crops.

Many farmers appreciate our cooperation, and long ago would have opened accounts with this bank had it not been for old ties which held them to other banking institutions in their communities.

This season, however, farmers have a large surplus on hand, due to the bountiful crops and high prices, and many are now opening accounts with the Bank of Italy without disturbing their existing relations with other banks.

Your surplus funds will be welcomed in California's largest bank.
